Hidden Heroes Education Society is piloting an interactive 1.5 hour presentation that will inspire your students to discover the best in themselves and each other. Students learn that by unleashing the Hidden Hero found in each one of us, we have the power to make a difference, one person, one family, one community at a time.

Our Hidden Heroes is a confidence building, experience-based, cross-curricular, social responsibility program designed by teachers for teachers. Full sets of lesson plans are available for sale.
